This Option Cancellation Agreement (this “Agreement”) is made as of September 29, 2026, by and between MapUp Inc., a Delaware corporation (the “Company”), and Neel Kamal (the “Holder”) (each, a “Party”, and, collectively, the “Parties”). All capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Purchase Agreement (as defined below).

WHEREAS, the Company previously granted to Holder, pursuant to the Company’s MapUp Inc. 2023 Equity Incentive Plan, as amended (the “Plan”), and the grant evidenced in the Company’s electronic capitalization table management platform (currently Carta) (the “Option Grant”), options to purchase shares of the Company’s Common Stock set forth on Exhibit A hereto (“Options”), and as of the date hereof all of the Holder’s outstanding Options are fully vested;

WHEREAS, the Company expects to enter into a Stock Purchase Agreement (the “Purchase Agreement”), by and among Bestpass, Inc., a New York corporation (the “Purchaser”), the Company, Maneesh Mahlawat, Kirti Mahlawat, and the other seller parties thereto (each, a “Seller” and, collectively, “Sellers”), and Maneesh Mahlawat, in his capacity as Equityholders’ Representative (the “Equityholders’ Representative”), pursuant to which Purchaser shall purchase from Sellers all of the issued and outstanding capital stock of the Company (the “Transactions”);

WHEREAS, pursuant to the terms of the Purchase Agreement, each In-the-Money Option held by Holder (each, a “Cash-Out Option”) shall be cancelled at the Closing in exchange for the right to receive certain payments as described herein;

WHEREAS, the Parties wish to provide for the payment to Holder of all amounts payable by the Company pursuant to the Purchase Agreement and the general release by Holder of the Company and certain related parties.

NOW THEREFORE, in consideration of the promises made herein and other good and valuable consideration the receipt and sufficiency of which is acknowledged, the Parties hereby agree as follows:

1. Cancellation of Cash-Out Options; Payment of Option Consideration. Holder acknowledges and agrees that, immediately prior to, and conditioned upon, the Closing, upon the terms set forth in this Agreement and the Purchase Agreement, all of the Holder’s outstanding Options, each of which are Cash-Out Options, shall be automatically terminated and canceled, and the Cash-Out Options shall thereafter have no further force or effect. In exchange for the cancellation of the Cash-Out Options, Holder shall be entitled to receive the Option Consideration (as defined below), without interest, which shall consist of (i) the closing consideration payable to Holder as an In-the-Money Optionholder pursuant to Section 2.03(a) of the Purchase Agreement, (ii) Holder’s Pro Rata Percentage of any Earnout Consideration, if and when payable in accordance with Section 2.06 of the Purchase Agreement, and (iii) any additional amounts payable to Holder pursuant to the Purchase Agreement (collectively, the “Option Consideration”), in each case

payable in accordance with Section 2.03(b) of the Purchase Agreement. Without limiting the foregoing, as of the Closing, Holder shall not have any rights or interests with respect to any Cash-Out Options or the shares of the Company's Common Stock underlying such Cash-Out Options, other than the right to receive the Option Consideration in accordance with the Purchase Agreement.

2. Acknowledgements. Holder acknowledges and agrees that—

(a) Holder is party to those certain advisor agreements between Holder and the Company, dated May 4, 2023 (the "Advisor Agreement(s)"), which contemplated the grant to Holder of options to purchase shares of the Company's Common Stock;

(b) Holder accepted the grant of the Options set forth in the Option Grant in full satisfaction of any and all obligations of the Company to Holder under the Advisor Agreement(s) with respect to options or other equity or equity-based awards, and Holder acknowledges that Holder is not entitled to any additional equity or equity-based awards or any other compensation from the Company, notwithstanding anything to the contrary in the Advisor Agreement(s);

(c) The information set forth on Exhibit A with respect to Holder's Cash-Out Options is true, correct and complete and that Holder has no other Cash-Out Options and is not a party to any other Option Grant or similar agreement with the Company;

(d) Holder has had an opportunity to consult with and has relied solely upon the advice, if any, of Holder's legal, financial, accounting and/or tax advisors with respect to this Agreement, to the extent Holder has deemed necessary, and Holder has not been advised or directed by any Company Party (as defined below) with respect to this Agreement, and Holder was given sufficient time within which to consider this Agreement;

(e) Holder is the sole record and beneficial owner of, and has good and marketable title to, the Options reflected on Exhibit A and, except for such Cash-Out Options reflected on Exhibit A, which Cash-Out Options are held by Holder free and clear of any Encumbrances, Holder has no ownership or equity interest, or any other phantom equity, profits interest or similar interest, in or with respect to the Company, any subsidiary of the Company, or any of their respective businesses;

(f) Holder is not party to any other agreement with the Company with respect to the Cash-Out Options, except for the Plan and the applicable Option Grant;

(g) Holder's full consideration in respect of the Options and the Option Grant consists of the closing consideration payable to Holder as an In-the-Money Optionholder and any contingent Earnout Consideration component, in each case payable in accordance with Section 1, and, upon payment thereof, Holder shall have received all consideration due or payable to Holder pursuant to the Options and the Option Grant, whether in connection with the Transactions or otherwise;

(h) Pursuant to Section 13(c) of the Plan, this Agreement serves as written notice to Holder that, as of the Closing, the Options will be canceled and terminated;

(i) As of the Closing, the Options shall be canceled and terminated and Holder shall not be eligible to receive any payment in respect of the Options or the Option Grant as a result of such cancellation and termination, other than the payment of the Option Consideration in accordance with Section 1, and such Option Consideration (i) satisfies all of the Company's and Purchaser's obligations to Holder, in each case, in respect of the Cash-Out Options, and such Persons shall have no further obligations to Holder, and (ii) accurately reflects the portion of the consideration payable under the Purchase Agreement to which Holder is entitled with respect to the Cash-Out Options, including the closing consideration payable to Holder as an In-the-Money Optionholder and Holder's contingent right to receive Earnout Consideration, in each case, under the Purchase Agreement, the Plan, the Cash-Out Options, Option Grant or any other agreement pertaining to the same;

(j) Holder has the full power, legal capacity and authority to execute and deliver this Agreement and perform Holder's obligations under this Agreement and to make the representations and warranties set forth herein (and no spousal consent is necessary under any "community property" or other laws in order for Holder to enter into and perform Holder's obligations under this Agreement);

(k) This Agreement has been duly executed and delivered by Holder and constitutes the legal, valid and binding obligation of Holder enforceable against Holder in accordance with its terms;

(l) Holder is not subject to any Order or other determination of any Governmental Authority or arbitrator that could prevent, enjoin or materially alter or delay the cancellation of the Cash-Out Options in accordance with this Agreement; and

(m) Holder forever expressly waives any and all rights relating to the Plan, Cash-Out Options and the portion of the Option Grant related to the Cash-Out Options accruing at any time prior to the Closing. All authority conferred or agreed to be conferred in this Agreement shall be binding upon the successors, assigns, heirs, executors, administrators and legal representatives of Holder and shall not be affected by, and shall survive, the death or incapacity, bankruptcy or insolvency of Holder. This Agreement is irrevocable and, other than Section 5 and Section 6, which shall be effective upon the execution and delivery of this Agreement by Holder and shall survive any termination of the Purchase Agreement, shall not become effective until the Closing Date; accordingly, in the event the Closing does not occur for any reason, this Agreement (other than Section 5 and Section 6) will be null and void and of no force and effect. In the event of any inconsistency between the terms of this Agreement and the terms of the Purchase Agreement, the Purchase Agreement shall control. By executing this Agreement, Holder acknowledges and accepts the appointment of the Equityholders' Representative as Holder's agent and representative pursuant to the terms of the Purchase Agreement, to the extent such terms apply to Holder.

3. Release of Claims. By executing this Agreement, Holder, on behalf of itself and its Affiliates, joint ventures, officers, directors, shareholders, interest holders, members, managers, partners, representatives, agents, successors and assigns, heirs, executors and administrators (collectively, the "Holder Parties"), FULLY RELEASES AND FOREVER DISCHARGES the Company, each Seller, the Equityholders' Representative (in its capacity as such), and after the Closing, Purchaser, and each of their respective former, current and future direct or indirect

Affiliates, subsidiaries, parents, joint ventures, officers, directors, shareholders, interest holders, general or limited partners, employees, consultants, representatives, agents, heirs, executors, administrators and each of their respective successors and assigns (collectively, the “Company Parties”) from all causes of action, suits, covenants, warranties, promises, undertakings, liabilities, obligations, debts, claims, demands, judgments, losses, attorneys’ fees and expenses whatsoever at Law, in equity, strict liability or otherwise, which Holder or any of the Holder Parties ever had, now has, or hereafter may have, whether known or unknown, fixed or contingent, suspected or unsuspected, foreseeable or unforeseeable, concealed or hidden, disclosed or undisclosed, asserted or unasserted, of any nature whatsoever, including any claim arising out of or attributable to Holder’s advisory, consulting or other service relationship with the Company, Holder’s status on or prior to the Closing as a stockholder, equity interest holder, officer, director, investor, lender, debtor, consultant, advisor, representative or Affiliate of, or Person having any relationship with, the Company, or arising from or relating in any way to the execution and delivery by the Company and the other parties thereto of the Purchase Agreement, whether for tort, breach of express or implied contract, intentional infliction of emotional distress, wrongful termination, violation of public policy, defamation, libel or slander, or under any federal, state or local law dealing with discrimination, harassment or retaliation, and any other federal, state and local laws, the common law or constitution of any jurisdiction, in each case that may be legally waived and released (the “Released Claims”). Holder intends the release contained herein to be a general release of any and all claims to the fullest extent permissible by Law, and the foregoing enumeration of specific claims and legal theories is for purposes of illustration only and shall not limit the scope of this general release.

Without limiting the foregoing, by executing this Agreement, Holder expressly waives and releases any provision of Law that purports to limit the scope of a general release, including any and all rights and benefits under Section 1542 of the Civil Code of the State of California (or any analogous law of any other state, to the extent applicable), which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Holder hereby expressly waives and relinquishes any and all rights and benefits which Holder may have under Section 1542 (or any analogous provision of any other state).

Notwithstanding the foregoing, in no event shall the Released Claims be deemed to include a release or discharge of (a) any rights of Holder under this Agreement or the Purchase Agreement, (b) claims for unpaid fees, compensation or expense reimbursements earned or accrued by or for the benefit of Holder prior to the Closing in respect of services performed by Holder and in accordance with the terms of a written agreement with the Company (including any amounts payable in connection with the consummation of the Transactions), but excluding, for the avoidance of doubt, any claims for additional equity or equity-based awards or any other compensation, option grants, top-up payments or similar compensation that are expressly waived pursuant to Section 2(b) of this Agreement, (c) any rights or obligations of Holder or the Company

that, by their terms, survive the termination or expiration of the Advisor Agreement (including, without limitation, any and all restrictive covenant obligations), and (d) any claim which may not be waived as a matter of law.

Notwithstanding the release or anything else in this Agreement, nothing herein shall prevent Holder from (i) filing a charge or complaint with, participating in an investigation or proceeding conducted by, or reporting possible violations of Law or regulation to, any government agency or self-regulatory authority, including the U.S. Equal Employment Opportunity Commission, the National Labor Relations Board, the U.S. Securities and Exchange Commission, the Occupational Safety and Health Administration, the U.S. Department of Justice, or any state or local agency charged with the enforcement of any applicable Law, (ii) initiating communications directly with, responding to any inquiries from, providing testimony before, providing confidential information to, or filing a claim or assisting with an investigation directly with any such agency or authority, (iii) making other disclosures that are protected under the whistleblower provisions of federal or state Law, (iv) testifying truthfully in a legal, administrative or legislative proceeding relating to a claim of sexual harassment or sexual assault, (v) testifying pursuant to or otherwise complying with a subpoena, court order or other legal process, or (vi) filing or disclosing any facts necessary to receive unemployment insurance, Medicaid or other public benefits to which Holder may be entitled; provided, however, that Holder hereby agrees to forgo any monetary benefit from the filing of a charge or complaint with a government agency, except pursuant to a whistleblower program or where Holder's right to receive such a monetary benefit is otherwise not waivable by law.

4. Continuing Obligations. For the avoidance of doubt, execution of this Agreement and payment of the Option Consideration does not alter Holder's obligations to any of the Company or its affiliates under all restrictive covenant agreements (including, but not limited to, those set forth in the Advisor Agreement(s)) to which Holder is a party to with the Company or any of its affiliates, which obligations shall survive the termination of the Cash-Out Options, and Holder hereby acknowledges, reaffirms and ratifies Holder's continuing obligations to the Company and its affiliates pursuant to such agreements.

5. Confidentiality. Holder acknowledges and agrees that the terms and conditions of (a) the Transactions (including without limitation the purchase price and other economic terms), (b) this Agreement (including without limitation the amount of the Option Consideration), the manner in which the Option Consideration was determined (including without limitation the number of Options granted to Holder and the exercise price assigned to Options under the Option Grant) and the Purchase Agreement (including without limitation the identity of the parties thereto and the terms thereof), and (c) all other information concerning the business and affairs of the Company, that is not available to the public other than information that (i) is already in the public domain or which falls into the public domain other than as a result of Holder's breach of this Agreement or any other obligation with the Company or Purchaser or their Affiliates, (ii) first becomes available to Holder or any of his, her or its representatives after the Closing on a non-confidential basis from a source other than the Company or Purchaser, provided that such other source is not known by Holder, after reasonable inquiry, to be in violation of any contractual obligation of confidentiality with respect to such information or (iii) is independently developed by Holder or any of his, her or its representatives after the Closing without directly using or referencing any of the foregoing (collectively, "Confidential Information"), are highly confidential

and that disclosure of any such Confidential Information, except as provided in this Section 5, would cause irreparable harm to the Company and Purchaser. Holder agrees to keep all Confidential Information confidential and to disclose Confidential Information only (x) with the prior written consent of the Company (prior to the Closing) or Purchaser (from and after the Closing), (y) as required by any applicable Law, or (z) in connection with the enforcement of or any dispute arising under the Purchase Agreement or any of the provisions set forth therein or in the agreements, exhibits or other documents executed and delivered in connection therewith. In the event that Holder believes Holder is legally obligated to disclose any Confidential Information, then Holder must (1) promptly notify the Company (prior to the Closing) or Purchaser (from and after the Closing) thereof so that the Company or Purchaser, as applicable, may seek a protective order or otherwise seek to resist or narrow such request, and (2) if nonetheless required by applicable Law to make such disclosure, take necessary steps, at the request and expense of Purchaser, to attempt to obtain or help Purchaser to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the disclosed information.

Holder understands that the Defend Trade Secrets Act, 18 U.S.C. § 1833(b) (the “Act”), provides that Holder may not be held criminally or civilly liable under any Federal or state trade secret law for the disclosure of a trade secret that is made (A) in confidence to a Federal, state or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law, or (B) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. In the event that Holder files a lawsuit for retaliation by the Company for reporting a suspected violation of law, Holder may disclose the trade secret to Holder’s attorney and use the trade secret information in the court proceeding, if Holder files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order. In addition, nothing contained in this Agreement shall be construed to prohibit Holder from reporting possible violations of federal or state law or regulation to any governmental agency or regulatory body or making other disclosures that are protected under any whistleblower provisions of federal or state law or regulation, or from filing a charge with or participating in any investigation or proceeding conducted by any governmental agency or regulatory body.

Holder hereby submits to the exclusive jurisdiction of any such court located in the State of Delaware having subject matter jurisdiction in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Purchase Agreement or the Transactions. Holder hereby irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. To the extent that any payment or benefit under this Agreement constitutes "nonqualified deferred compensation" within the meaning of Section 409A of the Code, (i) such payment or benefit shall be provided in a manner that complies with Section 409A of the Code or an applicable exemption therefrom, and (ii) this Agreement shall be interpreted and administered in a manner consistent therewith.
